

ANVESHAN FOUNDATION

IGDTUW ANVESHAN FOUNDATION

An Innovation & Incubation Centre

promoted by

**INDIRA GANDHI DELHI TECHNICAL UNIVERSITY
FOR WOMEN (IGDTUW)**

*Paving way for Women Entrepreneurship through
Organic Development*

FROM THE CHAIRPERSON'S DESK

IGDTUW Anveshan Foundation is committed to contribute its best in the development of Start-up Ecosystem in India. We believe in capturing and nurturing talent to convert them future leaders. These leaders make their organizations strong and actually play important role in employment generation which is in line with the sustainable development goals of UNDP.

Anveshan is supported by Government of NCT of Delhi and is now a Technical Business Incubator of Department of Science & Technology, GoI. It is matter of immense pride, Anveshan Foundation has been selected by Ministry of Commerce and Industry, GoI for Startup India Seed Fund Scheme. Apart from all the state of art facilities at Anveshan, mentoring has always proven as our strong strength. We have a capable pool of mentors, faculty mentors and other technical experts for prototyping and MVP developments. Anveshan provides freedom to the students and young entrepreneurs to do mistakes and learn from failures. It is believed that useful innovation appears only after mistakes.

We are working very close to the National Education Policy – 2020 of MoE. Anveshan, not only believes in 'Learning' rather it focuses in 'Learn, how to learn'. Along with our education system, entrepreneurial education and development at Anveshan is at par with global standards.

Dr. (Mrs.) Amita Dev
Chairperson

FROM THE MANAGING DIRECTOR'S DESK

To have a positive impact and future ready compliances we need to understand the importance of 'Make in India for the World'. Today India has highest youth population of the world which has both its pros & cons and we need to convert it as an opportunity. World need useful innovations, job market creations, economic values and peace.

Our mission is to encourage technological innovation and accelerate the development of commercially viable businesses in technology and allied sectors by providing a nurturing and supportive environment in fostering entrepreneurial ecosystem.

I would personally extend my gratitude to the Honourable Chairperson and other board members of Anveshan Foundation for their continuous vital support. Students who are inclined as budding entrepreneurs are welcome to interact with us.

Together we will bring a positive change in the society for the society.

A handwritten signature in blue ink, which appears to read 'Arun Sharma'. The signature is written in a cursive style and is positioned above the printed name.

Dr. Arun Sharma
Managing Director

FROM THE CHIEF EXECUTIVE OFFICER'S DESK

Welcome to 'IGDTUW Anveshan Foundation', Delhi's best incubation center exclusively for women entrepreneurs (and women enterprises). Whether you are starting with just an idea or looking for a growth path or at the situation of sustainability, we are committed for your long-term success.

Anveshan provides best facilities for its pre-incubatees and incubatees. We also have provision of seed funding. For the harness of the entrepreneurial ecosystem, Anveshan also runs various programs and events for students, budding entrepreneurs, faculty members and mentors from all over India (both online and offline) and co-incubation support.

I urge the entire budding women entrepreneur to feel confident in contacting us. Your contribution and hard work will not only fulfil your dreams but also pivotal for the society and thereby national interest.

With best wishes,

Dr. V K Arora
Chief Executive Officer

ABOUT US

‘IGDTUW – Anveshan Foundation’ is a business incubator, as section 8 company promoted by Indira Gandhi Delhi Technical University for Women (IGDTUW) Delhi and recognized by Department of Science & Technology (DST), GoI as Technical Business Incubator. Apart from this, Anveshan has been selected by Ministry of Commerce and Industry, GoI for Startup India Seed Fund Scheme.

Working towards the advent of a new age of entrepreneurial pursuits of youth that focus of autonomous generation of employment opportunities and global competition by nurturing budding innovators to tap into their uncharted reserves of prowess and potential, Anveshan Foundation facilitates Next Generation Entrepreneurship, expediently blending creativity, innovation and engineering, product design, and leveraging emerging technologies to evolve out-of-the-box applications.

IGDTUW – Anveshan Foundation was set into stone on 13th October 2016 to develop entrepreneurial eco-system, start-ups and all business incubation related activities that can contribute towards the expansion of the employment sector, social and economic development while imparting real-world, relevant professional experience.

Indira Gandhi Delhi Technical University for Women (IGDTUW) is a technical university exclusively for women and therefore it is our commitment also towards the upliftment and empowerment of women in the society by promoting and assisting Women Entrepreneurs and Enterprises. The Main objective of our business incubator is to facilitate the inception of start-ups and entrepreneurial culture among pioneering innovators.

VISION, MISSION AND OBJECTIVE

VISION

- To serve as a national platform for innovation and business incubation in order to support and assist women in entrepreneurship and to promote the concept of technology entrepreneurship, and convert business ideas into successful business opportunities.

MISSION

- To encourage technological innovation and accelerate the development of commercially viable businesses in technology and allied sectors by providing a nurturing and supportive environment in fostering entrepreneurial ecosystem.
- To accord significant contribution in the economic health through attracting new women enterprises in technological and allied sectors/industries and helping existing businesses to be more successful.
- To promote excellence in learning and training, technology development & transfer and external engagement that promotes innovation and entrepreneurship through collaboration and partnership.

OBJECTIVE

- To conduct multiple propitious programs, sessions, workshops, boot camps and competitions in the domain of entrepreneurship and start-up to motivate students and scholars.
- To motivate and shape students into autonomous employers in the society through creation of successful business ventures.
- To facilitate the availability of IGDTUW – Anveshan Foundation's resources and seed-money to the incubates in a mutually beneficial way throughout their incubation period.
- To provide guidance and mentoring to budding entrepreneurs, boosting their confidence and helping them to take their business ideas to market in minimum possible time frame.
- To provide a conducive working environment to the e-cell members and incubates to nurture their innovative ideas.

4. Entrepreneurship Awareness Camp

Indira Gandhi Delhi Technical University for Women (IGDTUW) has conducted a three-day workshop on 'Entrepreneurship Awareness Camp' (EAC) sponsored by DST-NIMAT from January 21-23, 2019. Total 76 students of IGDTUW participated in the workshop. On the first day of this program first session was conducted by Dr. V K Arora, Chief Executive Officer, IGDTUW Anveshan Foundation. Along with the concept of Entrepreneur, Entrepreneurship and different types of Organizational Structure he described how human thinking can be converted to entrepreneurial thinking. Second session was conducted by Honourable Vice Chancellor of Indira Gandhi Delhi Technical University for Women (IGDTUW) Dr. Amita Dev.

On the Second day, first session was conducted by Mr. Mayank Sood, Partner, K&S Gurugram. He enunciated technical and commercial aspects required to run a business. He explained the role of Intellectual Property Rights in technical start-ups. Second session on the second day was held by Dr. Dhanjay Yadav. A real learning session regarding business plan generation, viability and feasibility checks, and business plan preparation were critically explained.

On the third day i.e. 23rd January, an Industry visit was organized at National Small Industries Corporation (NSIC), Okhla and APJ Abdul Kalam Memorial, INA Delhi. Students

5. BUSINESS INTELLIGENCE FESTIVAL (BI – Fest 19)

Business Intelligence Festival was held on 25th April, 2019 in which students from IGDTUW presented their Business Intelligence Projects in form of posters. Event was organized by IGDTUW-Anveshan Foundation.

Event was sponsored by Intuit India. Two senior executives Mr. Prashanth Seshadri and Mr. Mohan Kumar from Intuit India, Bangalore attended the event. T-shirts (to all sixty participating students) and Prizes to top four winning teams were also facilitated by Intuit.

The day began with the keynote address which was delivered by Mr. Prashanth, Head, Intuit AI who talked about the power of Intuit AI. He explained the key products offered by Intuit and how Artificial Intelligence in general and machine learning in particular is applied at Intuit. His talk was well received by students. This talk was followed by Q&A session in which students had few questions related to the recruitment process at Intuit India which were addressed by Mr. Mohan Kumar who leads talent acquisition program and university recruitment at Intuit India.

Poster presentations from students took place in post lunch session. 60 students presented and displayed total 12 projects

6. Management Development Program (MDP)

IGDTUW Anveshan Foundation has conducted a one-day Management Development Program (MDP) on “How to Pitch and Bargain with Investors” on 21 Sept 2019. Participants from JSS STEP Noida, Bhai Parmanand Institute of Business Studies Delhi, School of Open Learning DU Delhi and Indira Gandhi Delhi Technical University for Women Delhi attended this MDP.

The most crucial step of a startup – INVESTMENT – was discussed during the workshop. Participants were informed about the various measures on how to talk with angel investors with varying level of wealth. They also learned how to prepare their first official document for pitching – Pitch Deck. The importance of effective communication with the investors was discussed. In the first Session, Business Idea Formulation was explained along with Entrepreneurial Ecosystem for Startups in India. In the second session complete Pitch Deck Preparation, KPIs and KRAs, Pre-money Valuation were the topics described with pragmatic examples.

AIF, Angel Investors, VCs and VCPEs were elucidated in details in the third session whereas in the last session, Format and Component of Term Sheet and SSSHA, FAQs with Investors and Bargaining Power of/ with Promoters Vs. Investors were discussed. Workshop was conducted by Dr. V K Arora, Chief Executive Officer of IGDTUW Anveshan Foundation.

7. HACK – 2019, A TWO-DAY HACKATHON

INNERVE HACKS’19 a two-day Hackathon organized by IGDTUW Anveshan Foundation on October 11 and 12, 2019 on the campus of Indira Gandhi Delhi Technical University for Women, Kashmere Gate, Delhi.

It was an inter-college – university event, in which more than fifty from colleges and universities of Delhi NCR were received. A total of fourteen teams were invited to participate in the hackathon on the basis of their idea.

E-Cell Students Members of IGDTUW Anveshan Foundation managed complete activity. On the first day, the hackathon took off from Idea Submission. The managing team did its best to make it a huge success, which indeed went far better than expected as the ideas were so innovative and useful that most of the solutions aimed at solving real-life problems at an observative aspect. The Organizing Committee did so well to make a memorable impact on the participant’s lives by providing them with all the necessary amenities along with the proper support from the mentors who also have judged most of the hackathons earlier. Mentors for the hackathon are mentioned below.

- Dr. Dinesh Ganotra, Asst. Professor, IGDTUW
- Manasi Mishra, Director, ETI Labs Pvt. Ltd.
- Prashant Choudhary, Maker Expert, Nasscom Foundation.
- Arun Kumar, Maker Space Manager, Defy and Cisco Thinkbator.
- Dr. V K Arora, CEO, IGDTUW Anveshan Foundation

The Ideas straight targeted towards solving the issues in a way which people could not think of solving them and all the teams those were shortlisted were so enthusiastic till the end and it was so difficult for us to decide the top amongst them.

The ideas which took exciting Prizes home were:

I Position: Yoga.

AI is a personal tutor which teaches Yoga to it's students anytime, anywhere and on any device. It is an on-demand service which uses machine learning to get the body posture of the user using their phone's camera. An Android as well as an iOS application, which has a great trainer, who is able to teach anytime, anywhere. Therefore, one can even use it in their hectic schedules. Technologies used are Flutter and TensorFlow.

II Position: MAYA :-

The virtual assistant helps to curb the feeling of anxiety or depression. All the functionalities are done via voice commands a) Uses various datasets to interact effectively & produce satisfactory outputs accordingly and b) Maya performs various activities like Music, Health advices, Stress busters & lots more...

III Position: Goud (गौद):-

Virtual Adoption System is a web application where various orphanages are along with the detailed description of each child residing there. Our users can adopt these children 'virtually' and pay for their basic requirements as well as their other secondary expenses like higher education, medical emergencies, etc. The users will have to buy a monthly subscription-like plan for adopting a child through our platform. The user can monitor the studies, achievements, daily activities, etc. of their adoptions through the website which will be updated regularly, thus giving our system a flavour like that of real parenting.

8. INNOPRENEUR – 2019

IGDTUW Anveshan Foundation and IGDTUW have conducted a competition 'Innopreneur – 2019'. In this regional level event, contests showcased their business plans. The program was conducted in association with Lemon Ideas, Lemon School of Entrepreneurship and GiZ on 03rd January 2020 at Indira Gandhi Delhi Technical University for Women, Delhi.

Total 23 teams participated in the contest. Five teams, as given below, are selected for the National Round of Competition in the contests.

SponsorChampz (Gurugram)	Mata Naga Sneha Sai
ETI Labs Pvt. Ltd. (Delhi)	Manasi Mishra
Steamedu Learning Private Limited (Delhi)	Rashmi Tyagi
Courier Wala (Noida)	Deepak
Vishvaksehna Agro and Dairy Pvt. Ltd (Muzaffarpur)	Krishna Gopal Singh

Out of the above five teams, two teams, a) ETI Labs Private Limited and b) SteamEdu Learning Private Limited are the Incubatees of IGDTUW Anveshan Foundation.

The event witnessed extensive participation from individuals from diverse educational background, including research scholars, incubates and faculty members.

A multi-dimensional perspective on Intellectual Property Rights was imparted through the conscientious choice of topics of imperative necessity for the sessions. Few of the subjects deliberated upon included various aspects and need to protect IPR, Patents, Design Registrations, Trademarks, Copyright, GIs, Trade Secrets etc.

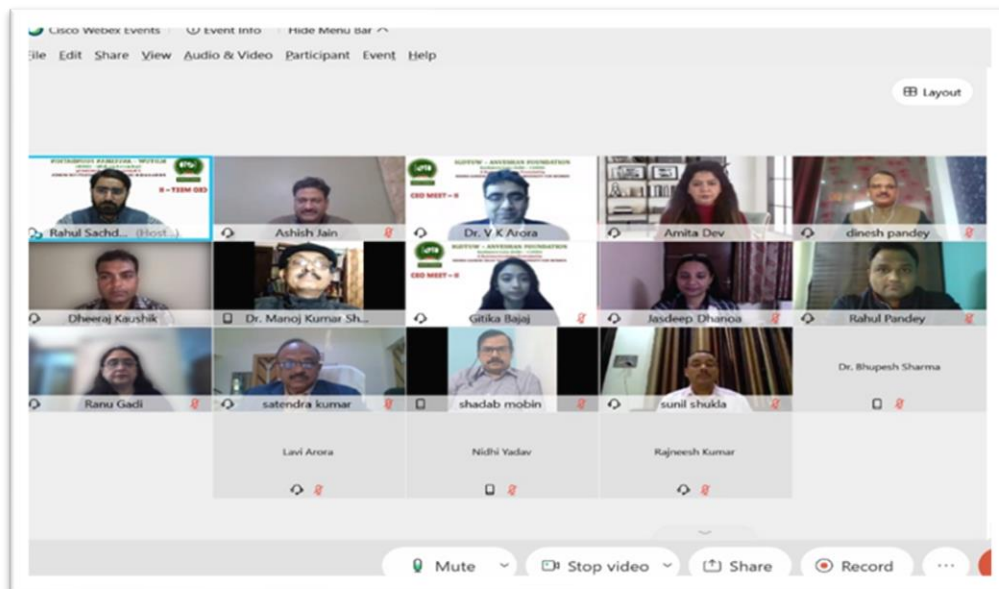

The program assisted the student and faculty audience to grow cognizant towards the need to protect IPR, Intellectual Property offices in India and the importance of patent, types of patentable innovations.

16. CEO MEET – II on 'Start-up Ecosystem in India'

With the aim of working towards new age entrepreneurial pursuits of youth, IGDTUW Anveshan Foundation took the initiative, and extensive exercise organized national level "CEO Meet – II" with the theme of 'Start-up Ecosystem in India' 27th December 2020. The event was organized in association with the Indo-German project on innovation promotion (MSME) & GIZ, Germany, i.e., Deutsche Gesellschaft für Internationale Zusammenarbeit, GmbH. Prof. (Mrs.) Amita Dev, the honourable Vice-Chancellor, Indira Gandhi Delhi Technology University for Women (IGDTUW), resided as the Chief Guest of the Inaugural Event and Dr. Sunil Shukla, Director General, EDI India, was the Guest of Honour for its inaugural event. The event embraced the participation of twenty (20) prominent CEOs of different incubation centers from all over India as panellists for four (4) different panel discussion rounds and witnessed enthusiastic participation from zealous innovators across the nation. The event's

objective was to apprise budding entrepreneurs regarding 'Start-up Ecosystem in India' and make them familiar with major domains of 'Start-ups and Entrepreneurship' & to understand the best practices being conducted in different incubation centers. The program was open and free of cost for students, entrepreneurs, mentors and other stakeholders to join.

39. Women Entrepreneurship Acceleration Program

IGDTUW Anveshan Foundation is a leading incubation center supported and funded by the Government of NCT of Delhi and the Department of Science & Technology, Government of India.

On the occasion of ‘National Youth Day’ Anveshan Foundation has launched a ‘Women Entrepreneurship Acceleration Program’ in support with the Ministry of Micro, Small & Medium Enterprises under the advance E-SDP Scheme during ‘Start-up India Innovation Week’.

The image shows two newspaper advertisements for the Women Entrepreneurship Acceleration Program. The left advertisement is from Times of India, dated 18-12-2022. It features the logos of IGDTUW Anveshan Foundation, DST NIDHI, and SIDBI. The text in Hindi describes the program as a 40-hour free-of-cost acceleration program for women entrepreneurs in the physical (offline) mode, starting from 12th January 2023. It lists four eligible sectors: Consumer Services & Retail Technology, Education Technology, Career, Healthcare & HealthTech, and SAAS, Artificial Intelligence & Big Data. The advertisement includes a QR code for applications and contact information for Dr. V K Arora. The right advertisement is from Amar Ujala, dated 18-12-2022. It provides similar information in Hindi, including a list of four eligible sectors and a table of dates for the program. It also includes a QR code and contact details for the program.

Participation was invited from aspirant and budding women entrepreneurs through leading newspapers, websites and social handles. Total 89 applications were received. Screening to shortlist the participants was done by ten jury members through online interaction on January 05th and 06th 2023. Total 32 applicants were shortlisted to attend the acceleration program in the physical format. All other applicants will be receiving the videos of all the sessions.

Inaugural Event of the Women Entrepreneurship Acceleration Program is conducted on 12th January 2023. Dr. V K Arora, Chief Executive Officer of IGDTUW Anveshan Foundation welcomed all the Guests and Participants and introduced about the program. Further he emphasized on the timely requirement of women entrepreneurship as an

important peripheral for overall societal growth.

Under the program, a total of 70 hours pragmatic sessions (in the physical mode) will be conducted. Out of a total of 70 hours, 30 hours are on essential topics of entrepreneurship and startup development for sector agnostic. After these 30 sessions, four different tracks of sessions will be conducted for domain specific business ideas/ startups for 10 hours each. These four specialized domains are a) **SAAS and AI**, b) **Education Technology**, c) **Consumer Retails** and d) **Career, Healthcare and Healthtech**. Program will run till the mid of February 2023.

In the inaugural event of the program, on 12th January 2023, Shri. Bharat Prakash Ji, Joint Development Commissioner, DC MoMSME was present as a Chief Guest and Dr. Subhransu Sekhar Acharya, Chief General Manager, SIDBI as a Guest of Honour.

The Chief Guest of the event Shri. Bharat Prakash Ji interacted with all the participants individually and patiently listened to the business ideas and startups of individual participants. Bharat Ji suggested the

participants to take maximum benefits of this course and offered to connect with him for any further course and assistance.

Dr. Acharya, the Guest of Honour has started his talk with entrepreneurial risks and returns. He linked the risk-taking abilities of women in business. He appreciated the university for bring such a result-oriented program for women of mixed aged group. He emphasized that the ultimate aim of such programs is to create Wealth Creators because if you create wealth only then it can be distributed for the benefits of the society.

All the candidates received the blessings from the Honorable Vice Chancellor of IGDTUW, Dr. (Mrs.) Amita Dev. Vice Chancellor Ma'am has quoted many motivational examples of women entrepreneurs and emphasized the role of women to become Job Creators instead of Job Seekers i.e., Women Entrepreneurs because women have immense potential.

Ms. Punita Bansal from KPMG, the facilitator for such programs proposed all future help in building the network and linkages for all the participants. Dr. R K Singh, Registrar of IGDTUW also interacted with the participants and wished them all the success in their entrepreneurial journey.

Dr. Arun Sharma, Managing Director, IGDTUW Anveshan Foundation delivered the vote of thanks to all the Guests, Facilitators and Participants.

Sessions will be conducted by the Successful Startup Promoters, Incubation Experts, Domain Experts, Government Officials and Investors.

Link of the complete inaugural session is: - <https://youtu.be/B-D8J53Dw44>

RECENT COLLABORATIONS

Recently ‘Anveshan Foundation’ has signed three MoUs with eminent organization HDFC Bank, Edunet Foundation and Mundo Latino.

Dr. Amita Dev, Hon’ble Vice Chancellor of IGDTUW signed these MoU whereas on behalf of HDFC Bank Shri. Uttam Ahluwalia, Senior Vice President & Zonal Head, Government and Institutional Business signed the MoU.

HDFC Bank has setup a smart solution for Startups called as SMART-UP. SmartUp is leveraged to assist in achieving startup goals with smart financial tools, smart advisory services, and technology. Shri. Naveen Goyal, Ankit Agrawal, Lokesh Kumar and Abhinav Mayaram from HDFC Bank were present during the ceremony.

MoU with Edunet Foundation was signed by its Executive Director, Shri. Nagesh Singh. Edunet Foundation is a leading Indian NGO focused on education, skilling, employment and entrepreneurship. Edunet will be sharing its knowledge domain through CSR activities of Microsoft and SAP.

Ms. Shalu Chopra, Founding Director of Mundo Latino has signed third MoU to provide training platform to the students of IGDTUW. Mundo Latino is a Latin American Cultural Centre representing and promoting Spanish language and the Hispanic culture in India.

In near future, these association are going to be fruitful for the students and incubatees of IGDTUW and Anveshan Foundation.

Directors of Anveshan Foundation were present during the MoU signing ceremony.

OTHER COLLABORATION

Anveshan Foundation also believes in disseminating its knowledge and best practices of 'Entrepreneurship, Startup and Incubation' across the country. Hence to support and promote the innovation and entrepreneurial ecosystem through collaboration, Anveshan has signed MoUs with many Incubations Centers/ Universities and Institutes.

The collaborative activities included in such MoUs are mentioned below,

- Collaboration and consultancies in the domain of 'Entrepreneurship, Startups, Innovation and Incubation' of mutual interest.
- Exchange of ideas on areas of mutual interest which are made available by both parties.
- Exchange of visiting business incubator staff and incubatees.
- Collaborative boot-camps, symposia, seminars, workshops, conferences, Hackathons, Business Plan Competitions, Demo/Pitch Day events related to entrepreneurship, startups and Incubation (training and pre-incubation activities).
- Co-incubation of innovative ideas & Start-ups.
