## 2<sup>nd</sup> International Conference on Artificial Intelligence and Speech Technology (AIST – 2020)

**Dates: 19<sup>th</sup> – 20<sup>th</sup> November 2020**

Department of IT, IGDTUW in technical collaboration with IBM is set to host the 2nd **International Conference on Artificial Intelligence and Speech Technology (AIST2020)** that will serve as a forum for discussions on the state-of-the-art research, development and implementations of Artificial Intelligence and Speech Technology.

### Conference Proceedings

Proceedings of AIST2020 will be published by **Taylor and Francis** as eBook, which will be submitted to SCOPUS for possible inclusion for indexing.

### Tutorial

In parallel to AIST2020, a tutorial on Deep Learning and Speech Technology will also be organized during the Conference. Hands on Sessions along with strong conceptual knowledge will be conducted by senior academicians, researchers and Practitioners.

### Call for Papers

High quality research contributions describing original and unpublished results of conceptual, Constructive, empirical, experimental, or theoretical work in the areas of Artificial Intelligence and Speech Technology are cordially invited for presentation at the conference. IGDTUW is organizing this two days conference to foster scientific talk exchange among the Industry Practitioners, Researchers, Scientists, Students and Engineers. It will involve Paper presentations, Tutorials and Key Note Speeches by Eminent Personalities on these technologies.

### Key Note Speakers
