Seminar on Harkirat X IEEE by IEEE Student Branch

On January 10, 2024, the IEEE IGDTUW student branch in collaboration with the Department of Electronics and Communication Engineering, IGDTUW, and the Department of Training and Placement, IGDTUW, orchestrated a captivating event at the University Auditorium, featuring esteemed Web3 developer Harkirat Singh. The atmosphere was charged with enthusiasm as 235 eager participants, including 85 IEEE members, gathered to partake in this enlightening session. The audience extended a warm welcome to the speaker as he took the stage. Harkirat Singh commenced by delving into his personal journey, shedding light on his endeavors as a digital content creator and freelancer. He also spotlighted the success story of his mentee, a 2023 graduate who, under Harkirat's mentorship, transitioned from coding novice to securing a lucrative freelancing position. Throughout the seminar, Harkirat graciously fielded inquiries on various topics including coding, web development, and the prevailing trends in the tech industry. His insightful responses captivated the audience, predominantly comprising ardent tech enthusiasts. In a heartwarming gesture, Harkirat donated three laptops to economically disadvantaged students, a contribution that was gratefully received by the University Registrar on behalf of the institution. Expressing sincere appreciation, the Registrar bestowed upon Harkirat a token of gratitude and commended him for his invaluable insights. The event culminated with a memorable photo session, during which Harkirat engaged warmly with attendees, leaving a lasting impression on all. The event's success was underscored by the wealth of knowledge shared and the myriad of doubts clarified, particularly in relation to embarking on a career in technology.
