ISO 9001:2015 Certified University

Department of Mechanical and Automation Engineering

Date: 24-01-2020

Department of MAE, IGDTUW organized a workshop on solid works and Ansys with support of CAD centre for 1st and 2nd year B.tech students on 22nd January 2020. One of the primary benefit of the workshop was to make student aware about the software and its benefits. The software is designed to automate many of the repetitive task involved in CAD modelling, allowing to work more efficiently and quickly. Total 34 students attended the workshop.
