- 15) The successful bidder have to submit a Performance Security Deposit @ 10% of the approved tender value in the form of Demand Draft/Pay order/BG drawn in favour of “Registrar, IGDTUW – Security Deposit SB Account” within 07 (seven) days from the receipt of the communication regarding award of contract. The EMD of the successful bidder shall be refunded on the receipt of the Performance Security or shall be adjusted toward Performance Security Deposit, if so desired by the successful Firm/Company in writing.
- 16) The performance security shall be valid for a period of 60 days beyond the date of completion of all contractual obligations. The Performance Security Deposit shall be refunded without interest after 60 days of completion/termination of the AMC period on receipt of request from the agency.
- 17) In case the successful bidder fails to deposit the Performance Security within 07 days from the receipt of the contract award, the EMD shall be forfeited by IGDTUW absolutely without any notice.
- 18) In case the successful bidder fails to start AMC within one month from the date of award of contract, a sum equal to 0.5% of the contract price per week or part thereof until the actual execution of work subject to maximum of 10% of the value of AMC shall be deducted.
- 19) The payment shall be made on half-yearly basis on receipt of the claim/request by the agency.
- 20) TDS, if any, levied shall be deducted at source.
- 21) The offer furnished by the Firm/Company should be valid for the acceptance for the period of at least 180 days from the last date prescribed for the receipt of the tender. In case of withdrawal, by the successful Firm/Company, the EMD shall be forfeited by IGDTUW absolutely and no claim shall be admitted in this regard. Such bidder shall not be allowed to participate in the re-quotation process.
- 22) University reserves the right to reject any or all the bids or accept them in part or reject the lowest bid without assigning any reason.
- 23) The university reserves its right to terminate the contract at any time after giving one month notice period without assigning any reason. The firm will not be entitled to claim any compensation against such termination.
- 24) In case of any dispute relating to meaning, scope, servicing, operation or effect of this contract or the validity or the breach thereof, the decision of the Vice Chancellor, Indira Gandhi Delhi Technical University for Women shall be final and binding on both the parties.
- 25) An affidavit on non-judicial stamp paper worth Rs. 100/- stating that **(a)** the firm has not been debarred/blacklisted by any University/Autonomous Organization/ Government/Semi Government organizations, **(b)** will observe fair dealing in the business.
- 26) Period of contract will be initially for one year, renewable for one year subject to satisfactory performance and services. Further, in case, the performance of the contractor in the first year is not found satisfactory/upto the mark, the contact shall be

terminated immediately with a notice of one month and in this case; question of extending the contract does not arise.

- 27) In the event of addition of any more machines under the scope of the AMC, the maintenance will be carried out by the vendor for which the Firm/Company may be eligible for an additional consideration on pro-rata basis. In the event of condemnation of equipment/machines/computers, the same shall be removed from the contract and the rates reduced accordingly on a pro rata basis
- 28) The resident engineers or their legal heirs shall not claim any insurance benefit from the University in case engineers suffer any loss or damage to their life or person or property while in the University premises
- 29) Firm/Company are requested to quote comprehensive AMC charges including repairs, cost of spare parts and remuneration of labour/staff/Service Engineers. The comprehensive AMC cost shall also include repair of items which are not in working condition at the time of Award of Comprehensive AMC job. **For this purpose, the Firm/Company may inspect the above items for ascertaining their working condition etc. before furnishing rates, if they so desire**
- 30) Firm/Company shall be required to maintain updated inventory records of Computers, Server, UPS and Network equipments etc. in the form soft copy. Updated inventory list shall be required to be submitted to the department quarterly in the format provided by IT Services Division (under GA).
- 31) On expiry/termination of the contract, the firm will have to hand over the systems in perfect working condition to the Department, failing which the amount spent on setting the system repaired/in working condition from the open market will be deducted from the security deposit of the firm.
- 32) The Firm/Company must have expertise to provide maintenance of various types of Computers, Server, UPS, Printer and Network Facility Management (Intranet & Internet and management of Servers).
- 33) The Firm/Company must have expertise to provide effective secured network solutions and maintenance of various network equipments.
- 34) The Firm/Company should be a registered firm and should possess PAN, GST No. etc.
- 35) **Force Majeure-** A Force Majeure means extra ordinary events or circumstances beyond human control, such as an event described as an act of God (like a natural calamity, war, strike, riots, crimes etc)
 1. The firm has to give notice of force majeure, as soon as it occurs and it cannot be claimed ex-post facto.
 2. A force majeure clause, frees both parties from contractual liability when prevented by such events
 3. If the performance in whole or in part is prevented or delayed by any reason of force majeure for a period exceeding 90 days, either party shall by reason of such events, be entitled to terminate this contract without any financial repercussion on either side/party.
- 36) **Settlement of Disputes:**

If an amicable settlement is not forthcoming, recourse may be taken to the settlement of dispute through arbitration as per the Indian Arbitration and Conciliation Act, 1996. The arbitrator will be appointed by Competent Authority of IGDTUW and the arbitration proceedings will be held at Delhi/New Delhi.

V. SCOPE OF WORK

University has recently upgraded its Network Infrastructure (Active and Passive both) for providing Internet access to Faculty, students, researchers, and staff of the University. The active devices include Core Switch Cisco ONE Catalyst 3850, Distribution Switch Cisco ONE Catalyst 3650, Catalyst 2960- PoE Switches, Cisco One – 5500 Series WLAN Controller, CISCO Indoor and Outdoor Switches, CISCO NMS and Fortinet UTM etc. The active devices are under 5 years comprehensive online support from implementing partner. Under the scope of the work, the successful tenderer is required to maintain the seamless services in the University by deputing the staff who will manage these services and co-ordinate with the implementation partner for online support as and when required.

The work will include Network Management: Routine monitoring and management of the network devices and links/segments, Identification of the problem in the connectivity and fixing the problem, if any link is found faulty. The active devices have been configured to satisfy the current connectivity requirement. Periodic inspection and analysis of the existing configurations and fine-tuning / modification for the optimal usage of features and functionalities suiting University policies and requirements. Interaction & coordination with NKN/ISP's for proper functioning of leased lines. In addition to above, creation of Domains, DNS updates, mail server management, NMS, Performance monitoring, Network audit and documentation, continuous Security monitoring and evaluation of the security threats and implementation of possible solutions etc.

1) Scope of work of Annual Maintenance Contract for the Computers and Printers:

- i) The Firm/Company shall truly and faithfully carry on the said job as is done by the services/business houses in proper manner /standard fashion for the maintenance of the **Computers and Printers of Indira Gandhi Delhi Technical University for Women** to the full extent and satisfaction.
- ii) The 'Service Maintenance Contract' shall be comprehensive in nature and shall, therefore, include essential servicing and repairs/fixing/replacement of all the electrical /electronic, and mechanical components of equipment. **Therefore Firm/Company shall bear cost of all spare parts of related items excluding only consumables items (Projectors Lamp, UPS Batteries and Toner Cartridges)** during the period of the contract at the exclusive risk, responsibility, and the cost of the contractor.
- iii) The term 'maintenance' shall also include rectification of all hardware and software problems/defects and also include cost of all parts/repairs/replacements necessary for the proper maintenance/functioning of the aforesaid systems. No extra charges for any general wear and tear/spare parts, etc. shall be liable to be made by the University. Further In case, any existing equipment (s) etc under AMC are upgraded by the University, the same shall be remain under AMC without any extra cost.
- iv) Some Computers and Printers may be malfunction/not working. AMC shall include repair/maintenance of all parts of that equipment to bring it into working state.
- v) The firm shall maintain the equipment's as per manufacturers guidelines and shall use standard components for replacement. Until and unless written order of IT Services Division (under GA) / other senior officer of the University are conveyed, the original specification/ characteristic not be changed.

- vi) The Comprehensive maintenance includes preventive maintenance/quarterly regular service of the **Computers and Printers** and /or replacement of any items necessary for keeping the **Computers and printers of Indira Gandhi Delhi Technical University for Women** active and free from any defects /disturbance.
- vii) The scope of work also includes maintenance of software procured by University and installed in the computer and peripherals.
- viii) In case of systems covered under warranty which are /are not under the purview of AMC, the service engineers shall note down the serial number of the machine and escalate the service call to the concerned OEM/Manufacturer and take up necessary follow up activities for the same and also intimate the IT services officials regarding the call details.
- ix) The company shall load/reload and configure operating systems and/or any other specific system software as the case may be in the equipment covered under AMC, at no extra cost to the university, whenever the need arises.
- x) The Operating environment condition in which the equipment is presently installed is quite satisfactory and the vendor will not raise any condition with regard to the working environments for the equipment covered under AMC.
- xi) The work shall be carried out in the premises of the University Campus located at Kashmere Gate. Only such work, which cannot be executed in the premises of University, shall be allowed to be done in the workshop of the firm and for that period, **the firm has to provide a standby system so that the office work does not suffer**. In any case, no system or any other items/parts, thereof, shall be taken out of the premises without formal/written gate pass issued from ITS division. No transportation, freight charges on this account will be paid by the University.
- xii) Adequate inventory on site of hardware parts like RAM, SMPS, various types of cables, logic cards, networking equipment (like Access points, Switches etc.) etc. must be kept in stock in advance. Successful bidder has to provide **5 Computers and 5 Printers** of standard make in good working condition, in standby, in University.
- xiii) The IT Services Division reserves the right either to accept or reject any part or items found inferior in quality or workmanship.
- xiv) A log book shall be maintained in which the resident engineer shall record all the complaints made. All the complaints received shall be attended by them in following manner:-
 - (a) Minor faults: immediately.
 - (b) Major faults: within 4 hours by replacement method, with the available spares, if instructed by IT Services Division (under GA), IGDTUW.
 - (c) The firm/Company shall be responsible for taking backup data and programme available on PCs before attending the fault and shall be also responsible for reloading the same. The backs up copies are to be returned to the users, under acknowledgement.
 - (d) The Company shall be responsible to coordinate with Manufacturer Companies irrespective of all warranted PCs and Peripherals etc. installed in the University
 - (e) If the equipment is required to be transported to the firm's/manufacturer's service workshop for repairs, the same shall be undertaken at the risk and cost of the firm.

- (f) The replacement of components shall be as per manufacturer's instruction and as per the decision of IT Services Division (under GA), IGDTUW/other senior officer of the University.
- (g) The firm shall have the required drivers (CDs and Floppies) for maintaining the PCs and peripherals for configuring them.
- (h) Repair and servicing of equipments can be carried out at site or at the firm's workshop after attending the complaint by replacement method and the same shall be done within 7 days of the receipt of the complaints. The replacement also involves all items of equipments including major parts such as monitor, FDD, CDROM, Scanner units of printers, adaptor of printers, HDD, SMPS, CPU, RAM, Motherboard & etc. but excluding consumables such as computer stationery i.e. Toner , Printer Head, UPS battery, ink cartridges & etc.
- (i) Maintenance of all software already installed in the Personal Computers and peripherals and the software to be installed at later stage.
Preventive Maintenance Terms and Conditions:-

- (a) The firm shall carry out preventive maintenance regularly and shall plan, as per schedule of quantities, such that maintenance is carried out in every equipment at least once in three months. A separate logbook should be maintained to record the preventive maintenance carried out on each equipment.
- (b) The schedule of preventive maintenance shall be as follows:-
 - (i) Cleaning of all equipment using dry vacuum air, brush soft muslin clothes.
 - (ii) Running of test programmes to ensure quality, reliability of the equipment.
Checking of power supply source for proper grounding and safety of equipment
 - (iii) Ensuring that covers, screws, switches etc. are firmly fastened in respect of each equipment
 - (iv) Shifting of equipment as and when required.
 - (v) Running of diagnostic software for system performance
