**International Workshop on Youth Internet Governance India 2018**

The International Workshop on Youth Internet Governance India 2018 by Dept of IT was a significant event aimed at engaging young individuals in discussions and activities related to internet governance. The event garnered the presence of 75 students from IGDTUW, Delhi. The workshop sought to empower youth participants to become active contributors to the decision-making processes that shape the internet and its policies. The event provided a platform for young voices to be heard and nurtured the next generation of internet governance leaders.
